<https://www.fridgefilt.com>

Select the right reference for your program

Use filter references and connection photos to choose samples. Appliance brand names identify compatibility references, not the product manufacturer.

EPT	Application matching
GE FQK2J	Under-sink
GE MWF	GE
ULTRAWF	Frigidaire
WF3CB	Frigidaire
DA97-17376B	Samsung
DA29-20B	Samsung
Filter 1	Whirlpool / EveryDrop
EveryDrop 1	Whirlpool / EveryDrop
EveryDrop 2	Whirlpool / EveryDrop
EveryDrop 4	Whirlpool / EveryDrop

LG model matching by inquiry

No LG SKU is currently published. Send the cartridge reference, connection photos and purchasing requirements for review.

Commercial terms

Standard product MOQ: 180 pcs. Private label / custom order MOQ: 1,000 pcs. Custom samples dispatched in 14 days after artwork approval.

EPT Carbon Block Water Filter

Existing product reference image

OEM & wholesale supply

FridgeFilt is a refrigerator water filter supplier whose OEM and wholesale supply program includes EPT carbon block water filters, with the application matched to the supplied cartridge reference. We serve importers, distributors, appliance parts suppliers and private label brands with coconut shell activated carbon block filtration, custom branding and packaging. Private label programs start from 1,000 pcs.

EPT is the current filter reference. Send the existing cartridge reference and connection photos so the application and brand can be matched before sample and bulk order evaluation.

Technical Specifications

Filter Type	Carbon Block Water Filter
Filtration Technology	Carbon Block Filtration
Filter Material	Coconut Shell Activated Carbon Block
Housing Material	Food Grade Plastic Housing
Service Life	6 Months
Capacity	300 Gallons
Certification	NSF/ANSI 42, 53 and 372 certified carbon block component
